2-16

INDEX TO THE SEVENTY-SEVENTH VOLUME.

- ABDOMINAL** section, singular result of, 469
Abortion artificially induced, 153
Abscess, perinephritic, two cases of, 324; of stump, 444; in sacral region, 427; in right lumbar region, 444; in hip, fatal case, 350
Accommodation, relative, 415
Addison's disease, case of, 16, 38
Albuminuria, case successfully treated, 133; and smallpox, 134; development and treatment of, 416
Alcoholic, methylic, 511
Alcoholic treatment of disease, 111
Amenorrhoea, 9
American Medical Association—circular by Committee on Medical Literature, 47
American and German medical schools, charge against, 238
Amputation, spontaneous, 13; of arm and forearm, 294; of arm, 394, 525; of great toe, 374; at the shoulder joint, 427; of toes, 526; of leg, 428, 483, 527; of both legs, 528; re-amputation of leg, 374
Anaesthesia, local, testimonial for discovery of, 532
Anaesthetic, a new, 27, 509; nitrous oxide, 530
Anaesthetics—ether and chloroform, 218
Anatomical plates, Bourgerie and Jacob's, 46; American edition, 352
Andrew, the late Governor, cause of death of, 335
Aneurism, popliteal, 221, 222; cirroid, cured by injections, 319
Aneurismal varix, 361
Animal food, use of in Canada, 531
Ankle, diseased, examination of, 484; deformed joint, 373
Apocynum androsaemifolium, 230
Appointments at Medical Colleges, 468
Artery, radial, wound of, 345; external iliac, ligature of, 525
Ascarides, lumbricoides, intestine perforated by, 510
Ascites, arising from hepatic affection, 210; cases of, 246
Asphyxia, inflation of the lungs in, 355, 399
Asylum for convalescent girls, 134
Aural surgery in Vienna, 59
Ayer, Dr. James. Remarks on the death of Dr. J. Mason Warren, 86
Babbitt, Dr. W. W. Pistol wound of the forehead, 346
Babies, food for, 290
Bath, the Turkish or Roman, 22
Baths, free public in Boston, 240
Baxter, Dr. J. H., promotion of, 26
Beach, Dr. H. H. A. Report of Surgical cases, 364
Beard, Dr. G. M. Medical use of electricity, 285
Bellevue Hospital, New York, 260
Bennett's (Dr. J. H.) Clinical Lectures, 353
Berkshire District Medical Society, extracts from the records of, 13
Bibliographical Notices:—
 Report on Asiatic Cholera by a commission of the International Sanitary Conference, 17
 The Medical Use of Electricity, &c., 39
 Railway and other Injuries of the Nervous System, 40
 Thirty-fourth Annual Report of the Massachusetts State Lunatic Hospital at Worcester, 41
 Micro-Chemistry of Poisons, &c., 104
 Etude Medico-Legale et Clinique sur l'Empoisonnement, 104
 Das Mikroskop in der Toxicologie, 104
 Idiocy and its Treatment by the Physiological Method, 151
 Twenty-fifth Annual Report of the New Hampshire Asylum for the Insane, 152
 Injuries of the Spine, with an Analysis of nearly four hundred cases, 253
 Treatment of Angular Curvature of the Spine, 253
 Notes on Asiatic Cholera, 254
 Plastic Surgery—a new Classification and brief Exposition of, 520
 The Physiology of Man, 392
 Photographs of Skin Diseases, 353
 Prof. O. W. Holmes's Introductory Lecture, 479
 Headaches: their Causes and their Cure, 479
 Remarks on Misplacements of the Heart, 476
 Essentials of Principles and Practice of Medicine, 393
 Observations on the Nature and Treatment of Polypus of the Ear, 503
 Synopsis of Watson's Lectures, 371
 Mechanical Therapeutics—A Treatise on Surgical Apparatus, &c., 478
 Medicine and Surgery applied to the Diseases of Women, 478
 Clinical Lectures on the Principles and Practice of Medicine, 353
 The Indigestions: on Diseases of the Digestive Organs, 332
 Photographs of Skin Diseases, 353

- Bibliographical Notices.—Bongery and Jacob's Anatomical Plates, 352
 Biennial Retrospect of Medicine and Surgery, 354
 Injuries of the Eye, Orbits and Eyelids, 354
 Report of Hartford Retreat for the Insane, 418
 Report of the Alabama Lunatic Asylum, 504
 Laryngoscopy and Rhinoscopy in Diseases of the Throat and Nasal Passages, 521
 Shock after Surgical Operations and Injuries, 520
 Biennial Retrospect of Medicine and Surgery, 354
 Bigelow, Dr. H. J. Pistol wound of the forehead, 346; surgical cases, 361
 Bigelow, Dr. Jacob. On the death of Dr. Jackson, 107
 Bile, secretion of, 359
 Black death, the, 26
 Bladder, weak, treated by injections of tea, 117; distended, puncturing of, 233, 273
 Bliss, Dr. Charles. New method of treating spermatorrhoea, 536
 Books, medical, new, 380
 Boston Dispensary, venereal department organized, 28, 43; surgical cases, 495; annual report, 219
 Boston Society for Medical Improvement, reports, 38, 127, 153, 174, 246, 328, 474
 Boston City Hospital, appointment, 88, 136; surgical cases, 161, 221, 281, 321, 406, 436, 456, 472; five cases of peculiar paralytic affection, 201
 Boston Medical and Surgical Journal, new series, 552
 Braman, Dr. C. B. Case of transfusion, 533
 Breast, excision of, 483; tumor of, 272, 373
 Bromide of potassium, some of the effects of, 497
 Bronchitis, capillary, 474
 Buckingham, Dr. C. E. Vaccination cicatrices and re-vaccination, 184; recorded cases of vaccination, 301
 Butler, Dr. L. C. On the decadence of the American race—the cause and remedy, 89
 Buzzell, Dr. John. Improved midwifery forceps, 440
 Cesarean section, successful case of, 88
 Calculi, large, in each kidney, 330
 Calculus, mulberry, 16; in the meatus, 308
 Canada, prevailing diseases in, 238; use of animal food in, 400, 531
 Capsicum in mania à potu, 468
 Carbolic acid, use of in Glasgow, 213; as a gargle in diphtheria, 260; in surgery, 271, 390
 Carbonic acid, excretion of, 88
 Caries of ribs, 527
 Carotid, common, ligation of the, 361
 Catarrh, nasal, 369
 Cerebral congestion, treatment of, 218
 Cerebro-spinal meningitis, 217, 420
 Cervical glands, enlarged, treatment of, 135
 Chancre supervening on secondary symptoms, 337
 Channing, Dr. W., note from, 199
 Charities of France, 340
 Chassepôt rifle, experiments with the, 338
 Cheever, Dr. D. W. Surgical cases, 161, 221, 281, 321, 406, 436, 456, 472
 Chemistry of the primeval earth, 548
 Chloroform, death from, 109; danger of using, 190, 218
 Chloromethylene, a new anæsthetic, 509
 Cholera, cases in North Adams, 15; report on, by a commission of the International Sanitary Conference, notice of, 47; in France, 26; supposed vegetable origin of, 198; in New York, 280; generous action of the Italian government with regard to, 280; in Italy, 320; Dr. Clark on the contagiousness of, 513; why they have it in Kansas, 26; report of the Surgeon General on Epidemic Cholera in the U. S. Army, 43
 Cicatrices, vaccinal, and re-vaccination, 137, 184
 Cincinnati Lancet and Observer, 448
 Clark, Dr. H. G. Contagiousness of cholera, 513
 Clavicle, fracture of the, 346
 Clinical medicine, address at the opening of the clinical course at Bahia, 29
 Clitoridectomy, 505
 Cloquet, M., created a baron, 48
 Cod-liver oil, analyses of, 159
 Congress, international medical at Paris, 135
 Consumption, cause of, 417
 Coroners, decisions of without autopsies, 467
 Correspondence, foreign, 49
 Corrigan, Sir D., his charges against American medical colleges, 131
 Cotting, Dr. B. E. Vaccination and re-vaccination, 69, 172; translation, on anæsthesia, 190; ascites arising from hepatic affection, 210
 Croup, tracheotomy in last stage of, 375, 385
 Crusta genu equine, 233
 Curtis, Dr. Hall. Report on the hygrodeik, 49, 120, 146; cases of scarlatina, with temperature and pulse range, 441
 Dacryocystitis, 170
 Decadence of the American race, 89
 Derby, Dr. George. Carbolic acid in surgery, 271
 Dermatology, contributions to, 32, 172, 192, 309, 386, 499, 517, 539
 Diabetes, case of, 9
 Digestion, artificial, 47
 Diospyros Virginiana, 188
 Diphtheria, death from the sequelæ of, 331; tracheotomy in, discussion on, 348, 349
 Diplomas, American medical, in Europe, 131
 Disinfection, 84
 Dislocation of the radius and ulna, 15
 Drowning, artificial respiration in cases of, 355, 399
 Drugs, carelessness in the collection of, 82
 Durkee, Dr. S. Contributions to dermatology, 32, 172, 192, 309, 386, 499, 517, 639
 Dysmenorrhœa, remarks on, 308
 Ear, foreign bodies in the, 99
 Ear-clinics in the University of Vienna, 59
 Ear-spout, a simple form of, 470; polypus of the, 503
 Education, medical—circular to medical colleges, 195
 Electricity, work on its medical use, 39; cases, 285
 Emigrants, peculiar sickness among, in New York, 199
 Encephaloid cicatrix, case of, 15
 Enchondroma of finger, 373

- Epileptics, legal responsibility of, 396
 Epulis, removal of, 427
 Ergot of rye, effects of, 425, 511, 534
 Erythema nodosum, case of, 11
 Ether, its advantages as an anæsthetic, 190;
 alleged deaths from, 424; its safety, 218
 Excision of head of the femur, two cases, 281
 Exercise, abuse of, 425
 Exophthalmia, case of, 11
 Extra-uterine foetation and gestation, 424
 Eye, Lawson's work on injuries of the, 354;
 remarks on relative accommodations, 415
 Eye and Ear Infirmary, Massachusetts, 360
- Faria, Dr. A. J. de. Address to the students
 at the opening of the clinical course at
 Bahia, 29
 Fecundity, extraordinary, 260
 Fee, generous, to Dr. Guilan, 532
 Fever, intermittent, nitrate of potash for cure
 of, 213; typhoid cases treated in the City
 Hospital, 261; is intermittent fever conta-
 gious, 538; spotted, pathology and treat-
 ment, 420; sequelæ of intermittent fever,
 339
 Fisher, Dr. T. W. Cause of consumption, 417
 Fistula in ano, 279, 373, 374, 526
 Fistula, vesico-vaginal, 14; urinary, new
 method of treatment, 401
 Foetus, arrest of development of the, 509
 Follin, M., death of, 46
 Forceps, midwifery, improved, 440
 Foreign body removed from side, 323
 Fracture of the clavicle, 346; Dr. Greene's
 treatment of, 48
 France, charities of, 340
- Gall-duct, common, permanent occlusion of
 the, 489
 Gangrene, senile, 13
 Garceau, Dr. T. Re-vaccination, 220
 Gardner, Dr. W. W. Dacryocystitis, 170;
 treatment of nasal catarrh, 369
 Garland, Dr. G. W. Effects of ergot of rye,
 534; vaccination and re-vaccination, 307
 Glands, cervical, enlarged, 485
 Green, Dr. J. Orme. Letter from Vienna—
 aural clinics, 59; contributions to the ana-
 tomy of the tympanum, 364
 Greene, Dr. W. W. Cases from the records
 of the Berkshire District Medical Society,
 13; singular result of abdominal section,
 469
 Greenough, Dr. F. B. Treatment of perma-
 nent urethral stricture, 164; pediculi vesti-
 mentorum, 221; gonorrheal rheumatism,
 411
 Gross's (Prof.) Introductory Lecture, 424
 Gun-shot wound of the back, 425; through
 the chest, 345
 Gynæcology, 505
- Hæmorrhoids, 374
 Ham, Dr. J. K. Treatment of fractured cla-
 vicle, 48
 Hand-book of Practice, 468
 Hare lip, 526; double, 484; single, 484
 Hartford, Lunatic Asylum at, 418
 Harvard University, classical studies in, 63;
 medical school of, 280
 Hayward, Dr. J. McLean. Report on the
 hygrodeik, 49, 120, 146
 Headaches, new work on their causes and
 cure, 479
- Heart, disease of, in the British Army, 10;
 misplacements of, work on, 476; action of
 after death, 315; deaths from disease of,
 380
 Hepatitis, chronic, 489
 Hernia, strangulated femoral, 182; double
 oblique inguinal, 409; strangulated, 407,
 408; of omentum, 406, 407
 Holiday, "catarrhal," abolished, 509
 Holmes, Dr. O. W. Remarks on the death
 of Dr. Warren, 66; on the death of Dr.
 Jackson, 108; introductory lecture, 298,
 426, 479
 Homans, Dr. C. D. Reports of Boston Soci-
 ety for Medical Improvement, 38, 127, 155,
 174, 246, 328, 474
 Homans, Dr. John, Jr. Retention of urine
 from calculus in the meatus, 308
 Homœopathy, illustrated, 551
 Hooker, Dr. Worthington, death of, 319
 Horse-flesh as food, 236
 Hosmer, Dr. A. A simple form of ear-spout,
 470
 Hospital, new, at Nashville, Tenn., 48; at
 Rochester, N. Y., 532
 Hospital Reports. Mass. General Hospital,
 279, 293, 314, 333, 372, 394, 427, 444, 483,
 525; Boston City Hospital, 161, 221, 281,
 321, 406, 436, 456, 472
 Hospitals, European, imperfect ventilation
 in, 318; in Paris, 510
 Humerus, dislocation of, 484; dislocations
 into axilla, 293
 Hydatis of the uterus, case of, 81
 Hydrocele, 394; of the neck, 279
 Hygrodeik, the, and the popular means of
 hydrating our houses and halls of assem-
 bly, 49, 120, 146
- Idiocy, on the treatment of, 151
 Impaludism, 339
 Impetigo of the face, 32; in children, 172; in
 adults, 193
 Impotence, treated by general and localized
 electrization, 285
 Indigestion, Dr. Chambers's work on, 332
 Inebriate asylum in New York, 171
 Infants, diet of, 218, 291
 Inflammation, cause of redness in, 27; treat-
 ed by compression of arteries, 487
 Infusoria in air expired in whooping cough,
 480
 Insanity, in England, 26; the causes of, 275;
 and jury trials, 531
 International Medical Congress at Paris, 88,
 179
 Intussusception, 350
 Intermittent fever, 213, 339, 538
 Iodine, in enlarged cervical glands, 135
 Iron, perchloride of, in albuminuria, 133
- Jackson, Dr. James, death of, remarks on by
 Profs. Bigelow and Holmes, 106; his will,
 160
 Jobert, M. (de Lamballe) obsequies of, 323
 Johnson, Dr. W. O. Some of the effects of
 bromide of potassium, 497; surgical cases,
 345
 Jurare in verba magistri, 423
- Kemp, Dr. Charles E. Peculiar paralytic
 affection of the extremities, 201
 Kimball, Dr. Gilman. Observations on ova-
 riotomy in Europe, 421, 449

- Laryngoscope, used in removing foreign bodies from the air-passages, 86
 Laryngoscopy and rhinoscopy, new work on, 521
 Lawrence, Sir William, death of, 28
 Lead poisoning, treatment of, 118
 Leg, re-amputation of, 374
 Licentiousness, in New York, 214; in Paris, 239
 Lipoma, of back, 372, 526, 527; of shoulder, 526; of hip, 395
 Lithotripsy, 279
 Liver, acute, atrophy of, 350
 Longevity, prize for essays on, 360
 Lunatic Asylum, at Worcester, Mass., report of, 41; at Harrisburg, Pa., 80; in New Hampshire, 152; in Wisconsin, 512; at Hartford, Ct., 418; in Vermont, 424; in Alabama, 504
 Lung, gun-shot wound through, 349
 Lungs, inflation of, in asphyxia, 355, 399
 Lupus, 539
 Mackie, Dr. J. H. Puncturing the bladder above the pubis, 273
 Maisonneuve, M., visit to, 110
 Mania a potu, treated with capsicum, 468
 Marriage, in America, 154; the sexual relation in, 358
 Massachusetts College of Pharmacy, 379, 547
 Massachusetts Eye and Ear Infirmary, 360
 Massachusetts General Hospital, medical cases in, 9; report of surgical operations at, 279, 293, 314, 333, 372, 394, 427, 444, 483, 525; appointments at, 532; surgical cases in the, 361
 Massachusetts Medical College, 280, 298
 Massachusetts, registration reports of, 89
 Materia medica and therapeutics, contributions to, 185, 230
 Medical Journal, new, 87; in Paris, 218
 Medical publications, new, 380
 Medicine, degree of certainty of, in the nineteenth century, 295
 Medico-legal Society in New York, 218
 Mettauer, Dr. J. P. Contributions to practical surgery, 113; to materia medica and therapeutics, 185, 230
 Military accoutrements, influence on health, 111
 Milk sickness, 471
 Minot, Dr. F. Medical cases, 9; excessive nausea and vomiting in pregnancy, 153
 Missouri State Medical Society, 512
 Morland, Dr. W. W. Cases of typhoid fever treated at the City Hospital, Boston, 261
 Mott memorial free medical library, 37
 Munroe, Dr. W. F. New treatment of lead poisoning, 118
 Nevus, 527
 Nasal douche, simple contrivance for, 359
 Nashville, Tenn., Hospital on a new plan at, 48
 Necrosis, of rib, 395; of humerus, 395; of jaw, 427
 Nélaton, M., resignation of, 320
 New Orleans, dental college in, 468
 New York College of Physicians and Surgeons, 112; Medical Gazette, 200; State Medical Society, Transactions of the, 444; Society for Relief of Widows and Orphans of Medical Men, 374
 Nitrous oxide as an anæsthetic, 530
 North Carolina, Medical Society of, 130
 Norfolk (Mass.) District Medical Society, 348
 Oesophagotomy, for extraction of a plate of teeth, 488
 Offer, generous, to the medical profession, 399
 Omentum, hernia of, 406, 407
 Ophthalmology in the Faculty of Medicine, Paris, 462
 Ovarian cyst, complicated with hepatic abscess and fistula, 15; removal of, 130
 Ovariectomy, Mr. Spencer Wells's lecture on, 199; his operations, 551; Mr. Wells's and Prof. Peaslee's remarks on, 328; observations on in Europe, 441, 449
 Paralytic affection of the extremities, peculiar, five cases of, 201
 Paris, medical letter from, 110
 Paronychia of the thumb, 485
 Parotid tumor, recurrent, 394
 Parsons's (Dr. U.) Physician for Ships, 28
 Parturition, calculation of the epoch of, 175
 Pediculi vestimentorum, 141
 Pennsylvania, University of, false charges against, 132
 Perineum, ruptured, operation for, 395
 Perineal section, 292, 321, 373, 444, 527
 Peritonitis, peculiar case of, 15; following paracentesis, 210
 Pertussis, chestnut leaves in, 487
 Peters, Dr. J. C. On pulsatilla, 77
 Pharmaceutical Association, American, 21
 Pharmacy, Massachusetts College of, 379
 Phenic acid in surgery, 400
 Physician, arrest of, for fast driving, 448
 Physiology of Man, Dr. Flint's work on, 392
 Pistol-shot wound of forehead, 346
 Plastic operation, of neck, 427; for contracted jaws, 427; of stump, 527
 Plastic surgery, new work on, 520
 Pneumo-hydrothorax, peculiarity of heart sounds in, 14
 Pneumonia, 474
 Poisoning, new works on, notice of, 104; by lead, new treatment, 116
 Poisonous cards, 511
 Polypus, naso-pharyngeal, 161; polypus nasi, 484; uterine, 428
 Population, American, decadence of the, 89
 Porter, Dr. C. B. Report of surgical operations, 279, 293, 314, 333, 372, 394, 427, 444, 483, 525
 Porter, Dr. I. G. Re-vaccination, 227
 Potash, nitrate of, in intermittent fever, 213
 Pott's disease, pathology and treatment of, 381
 Poultices, substitute for, 158
 Pregnancy, simulated by hydatids of the uterus, 81; nausea and vomiting of, 153; duration of, 175
 Principles and Practice of Medicine, work on, 393
 Professions, learned, in England, 320
 Prostitution, in New York, report on, 214; in Paris, 239
 Providence city, R. I., mortality of, 487
 Psoralea glandulosa, 184
 Psoriasis, case of, 11
 Publishers' notice, 552
 Pulmonary carnification, 14
 Pulsatilla, medical virtues of, 77
 Putnam, Dr. C. G. Report of the case of Dr. J. Mason Warren, 74
 Quacks, a county in Indiana free from, 21

- Railway and other injuries to the Nervous System, monograph on, notice of, 40
 Rayer, M., death of, 200
 Rectum, imperforate, 38; foreign body in, 345
 Renal capsules, disease of, 127
 Reports of Medical Societies:—
 Boston Society for Medical Improvement, 38, 127, 153, 174, 246, 328, 474
 Suffolk District Medical Society, 49
